1 December 2020

Year 7/8 Uniform

Dear Parents and whanau,

I am sure most of you are aware we are in the process of moving uniform suppliers from The Warehouse to Uniform Hub. Uniform Hub will offer similar options and prices as The Warehouse, however we have added a softshell jacket and a custom designed quick dry polo. They will have stock on hand at both the Uniform Hub store in Kamo and the Sports Club store in Nell Place. You can also purchase online.

Initially Uniform Hub is wanting pre orders for the custom quick dry polo. If you are wanting to purchase one of these please fill in the order form included. Payment is not required until the shirt is collected. These need to be in by Monday 7 December please. This is to ensure the shirts are here for the start of next year.

The compulsory senior school uniform for 2021:

Only the longer black shorts are acceptable - sports and cargo variety. Polo shirt with logo or Maungatapere School quick dry polyester polo. Jacket choices are polar fleece with logo or shell jacket with logo. All of the old uniform is still acceptable including the Maungatapere School t-shirt, however this will eventually be discontinued.

During winter plain black long pants, track pants or black jeans can be worn. A black or white long sleeved t-shirt or thermal can be worn under the t shirt or polo.

Kind regards
