

Maungatapere School - Year 7 & 8 Visit to Rotorua –

**PERSONAL GEAR CHECKLIST**

To make your child's stay at camp more enjoyable and to ensure the safety and comfort of all students it is helpful if they arrive with appropriate clothing and personal gear. The following gear list includes all items for a winter or summer-camp. We would remind you that while some of them may not be used if conditions are fine and warm, it is important to be prepared for all conditions so that the programme is not restricted unduly by the weather. Many students will not have all the items on the list by given enough prior notice, should be able to arrange more of them. **Please ensure that clothing and footwear are appropriate for walking, hiking and comfortable for all day wear.**

***PLEASE NAME ALL YOUR GEAR***

	I know I have	I need to get	Packed
